

Casco Bay Sports League Payment Policies

Payment Policy: In order for players to participate in a league or event payment must be submitted prior to the start date. If a team deposit was paid, the whole balance is due the first day or night of the league. There are no exceptions. Participants must pay in advance prior to playing.

Refund Policy: Refunds for leagues are not given based on weather, schedule changes, change of residence, or the inability to personally finish a league. Medical circumstances are taken into consideration on an individual basis.

Weather Disclaimer: Casco Bay Sports reserves the right to change, postpone, or cancel games based on weather and or/field conditions. Disagreement and therefore requests for refunds based on schedule changes will not be granted.
