

Dan McClaughlin: Dalls Beep Thursday Stinger Division

PDL Reporter "Hi Dan, thanks for taking some time out of the day to meet with me. Lets get right to it, "Dan, your team is coming off of an extended holiday break, what kind of adjustments are you going have to make on your first night back?"

A few beers before each match so the unbearable pain in our throwing arm is bearable. Watch Rocky 4. Maybe have some on the fly substitutions during the games. I think Griffin was talking about sabotaging the other teams ability to get to the gym.

PDL Reporter "You think those underhanded tactics are really needed?"

Let me answer your question with another questions. Have you ever been hit in the face with a blackball going too fast to dodge, catch or even see?!?!

PDL Reporter "Your team has been a contender every season since you came into the league, who should get the credit for this?"

Not Florida, he recruits terrible people who quit before game one! I think the whole team just likes to play, enjoys winning and all have some athletic ability. We channel all that on the court and usually a winning effort is formed.

PDL "Lets be honest for one moment here, you are a veteran in this league and yet every night you come to play with an uncanny desire to win, what keeps you going? What makes you tick?"

I've never enjoy losing. Musical Chairs, Pin-the-tail-on-the-donkey, Powerball. Why would dodgeball be any different? That and my absolute hatred for the Superfriends!

PDL "What was your favorite moment in Portand dodgeball history so far?"

Last season when we beat the Superfriends 4-3 in the final, I cherish every drink I take from that pint glass. Maybe breaking Jaimees leg. That is a close 2nd.

PDL " Thanks Dan for your time, best of luck this season."
